Through the courtesy of the Cowling
Funeral Home we again have calendars
for the new year. You are welcome to
take one for each family.

Lois has the your individual record of donations for the past year
ready for you to take. Those with last names from A to K may find
theirs in the East entrance; those from L to Z in the South ent.

Women's Guild will have a board meeting this Tuesday,
January the 3rd, at 7:00 p.m. in the Conference Room.

Religious Education for adults this Wednesday at 7 pm
and next Monday, January 9th, also at 7 pm.

Like so many others, we have also suffered damage from the cold
weather. For some unexplained reason the electricity was
turned off to the Old Church furnace, thus, no heat and many
pipes burst in the upstairs before it was discovered Friday
before Christmas. Insurance should cover most of the loss.
We are in need of some worthy community utilization of this
fine historic building. Your suggestions welcomed.

(a note from Bishop Pilla)

My dear sisters and brothers in Christ,

In the midst of the festivities of this day,
I ask you to remember the less fortunate
throughout the world who cannot celebrate be-
cause they are oppressed by war and injustice.
Pray for them and for all of us, especially through
your participation in the Eucharist.

And, to all people of good will: I invite you to join
with us on this first day of the New Year, a day of hope
and new beginnings--please pray with us that the Creator
and Lord of all will bring His peace to this world.

Sincerely yours in Christ, + Anthony M. Pilla

It is always a joy, but especially so
at Christmas time, to be the recipient
of your many expressions of kindness--
your cards, gifts, prayers, etc. I am
touched by them and appreciate deeply each and every
one of them.

Also, a belated thanks to the Guild Ladies who sponsored the beautiful
Christmas Party for the youngsters. Everyone thoroughly enjoyed it!

In The Hospital Your prayers are appreciated for: Al Pasadyn in Elgria,
Roberta Lasko's sister in St Thomas-Akron, and Ed Young's
mother in Penn.

Next weekend I will strive to give more briefly
than in past years my annual report to the
parish. I would also like at the conclus-
ion of each of the Masses to have each
family take just a very few minutes to
fill out a simple parish census form.
It has been years since we have had a
complete parish census and we do need
such data for our own operation and for
reports to the diocese. Please bring a
pen or pencil with you (we will have
extras) and help us to update our records..

Next weekend: Food for the Poor. Thanks for your generosity!

Next Sunday: Pancake & Sausage breakfast after 8:30 Mass.

P.S.R. classes resume January 4th, 5th, and 8th.

Grandma recommended laughter as the best medicine, and now science is proving her right. Laughing quickens the pulse rate, stimulates blood circulation, activates muscles and raises oxygen intake. And even more, a notable physical relaxation will follow a good laugh. Laughter also helps dispel depression and disarms sudden intense anger. So, for anyone who values health, laughter should be serious business.

I'm happy to report that everything is okay in Tampa for the big game this Sunday. They are also a little short on sun with much overcast and rain. Was able to visit with some former parishioners--they all send you their greetings and love: Sophie & Alex Malik, Sophie's fine after a short stay in the hospital; Jack & Marcie Volpe--they're well pleased with their new home; and Charlie & Jean Wenner who are doing remarkably well at 89 and 87 years of age.

Please keep our sick in your prayers: Ken Brill at Lorain Community, Al Pasadyn & Mary Janice at home.

An invitation to all parents and especially to those with school age children:

Your P.S.R. Staff is sponsoring two identical sessions to support and encourage you in YOUR responsibility to teach your children about sex in a very loving and christian manner. We hope all of you will participate in one of these sessions in our parish hall:

Wednesday, January 25th, at 7:30 p.m.

Sunday, January 29th, at 2:30 p.m.

The sessions will last about an hour and a half.
Thanks for being so caring!

Tis a bit early, I know, to be talking about the celebration of our Patronal feast day, but we don't want any of you to be left without a ticket. With Johnny Vadnal's Band playing we expect it to be a sellout. So get your tickets early at the office or from Carmel & Lee Grissinger, the chairpersons of the dance. Tickets are \$5 each.

Adult instruction class this week will be on Monday because of the parents meeting on Wed. Class time is 7:00 p.m. in the Conf. Room.

On Wednesday after morning Mass we would appreciate some volunteers to put together the fruit trays for our shut-ins and nursing home residents. It should only take a couple hours.

I am most grateful that so many of you did take the few minutes to complete the updating of our parish registrations a couple weeks ago. Extra forms are in the entrance ways and in the sacristy for those who were unable to do this at that time. I would like all parishioners (families & single registrants) to complete this new registration form. Many thanks.

Marriage Banns for the second time between Dawn Marie Bazonik of St. Pat's and Jimmy Kent Thompson.

A special note for all Parents: Have you every heard some one say "I suppose that the home is the best place for sex instruction, but frankly, I just feel awkward and embarrassed even thinking about discussing it with my children."

You may not have felt this way, but a lot of parents do. To assist you in this important matter, and to fulfill the wishes of our Holy Father and of our Bishop, we invite and urge all parents to participate in one of two identical sessions being held in our parish hall this coming week.

These sessions are offered to give you support and encouragement to teach your children about sex in a very loving and christian atmosphere; and, also, to give you a preview of what we wish to offer at a later date to our P.S.R. students. The sessions are informal with ample opportunity for questions and to share your concerns. We don't have all the answers but we do believe we can be of some help.

The Parish Executive Board has their bi-monthly meeting on Tuesday, February 21st, at 8:00 p.m. in the Conference Room. Agendas may be picked up in the Sacristy.

will have their quarterly meeting on Thursday, February 23rd, at 7:30 p.m. in the Pumpkin Room. Please enter by the office entrance.

You know we realize that today so many of you are on the go so much with your work and a thousand other demands on your time that you really do not care for another meeting or another night out of the house. But you must also know that your parish does not ask much of most of you. If you could just give a few hours now and then, all our needs would be well cared for and no one would be overburdened. The meeting Thursday will be a brief one and your presence will be much welcomed.

BEGINS this Wednesday with ASHES being
imposed during both the morning and the
evening Masses and at 4 pm for the PSR
youngsters. Regarding FAST & ABSTINENCE: Ash Wednesday and Good
Friday (April 20th) are days of abstinence from meat and are also
days of fast. The other Fridays of Lent are days of abstinence
from meat. All those who are fourteen years old are bound to the
law of abstinence; the law of fast binds all who are at least
twenty-one years old and not yet fifty-nine.

As you can see, the law is minimal. You and your family are en-
couraged to grow in the Lord through additional prayers, fasting,
and alms-giving as befits your circumstances. Just as there is
no Easter without a Lent, so there will be no growth without your
effort. The Lord's grace is always present!

By the way, the kids were great for the 1st Penance service. Thanks, parents and staff, for having them so well prepared.

THANKS, too, to the Grissingers and their fine committee for the very enjoyable St. Patrick's Day Dance. Everyone had a grand evening and the corned-beef was truly delicious!

next to the Town Hall on April 7th & 14th (Saturdays) for only
a fee of \$1.00. Safety information will be handed out. Doug
Snyder has organized this for his Eagle Scout project.

A few weeks ago Father Tom O'Donnell, the
former diocesan music director, conducted a
workshop here for our Church musicians. Here are a few of the
thoughts that came from this meeting:

The liturgies that we participate in each weekend are essentially
a prayer, a public prayer which we as a believing community offer
to our God. Song is a most worthy expression of that prayer and
should be used to enhance and highlight the liturgy.

Central to our worship is the Gospel and the Consecration prayers.
Thus, the Gospel acclamation (alleluia or praise to you...) and the memorial
acclamation (Christ has died, ...) and the Great Amen should normally be sung.
Beginning next weekend, our song leaders will help us to sing these prayers.

Some of the other prayers such as the Holy, Holy, the Our Father, the Lamb of
God, add solemnity to the celebration when sung but are more of an optional
nature, much depends on the mood of the congregation and the celebrant.

Appropriate hymns likewise enhance our prayers. We will seek to change them
less frequently and to foster our growth with occasional new hymns.

Our singing has shown marked improvement these past few weeks. For this we do
thank you. We could still use some strong male voices--so men,
sing out!

No alter boy meeting next Saturday. FOOD for the Poor next Weekend.

Can't we find one extra hour to give to
the Lord during this season of Lent? The
participation in the Friday Stations has
been rather poor. We have just two Fri-
days remaining--Stations and Benediction
beginning at 7:30 p.m.

Christ, the Son of God, became one of us so that through His
death we may each be reconciled with God the Father and with one-
another. Lent without reconciliation is like Easter without Good
Friday--it would not be real, it would not be true.

To foster this spirit of reconciliation in each of us a number of
opportunities to receive the Sacrament of Reconciliation and a Communal
Penance Service are available in the coming two weeks. Please take the
time to participate with your family in one of them.

Wednesday--visiting priests--4 to 5 and 7 to 8 pm
communal penance service beginning at 7:30 p.m.

Thursday--4 to 5 p.m. Saturday--4 to 4:45 p.m.

This weekend our community rejoices with CHET & ALICE
WILCZAK in celebrating their Golden Wedding anniversary
Fifty years ago they pronounced their vows in St. Mary
Church, Elyria. All who know Chet & Alice, and their

spirit, their contagious friendliness, and we can't forget their homemade
chili and roast beef sandwiches, have all made them the much appreciated
members of our parish that they certainly are. Ad multos annos!!!

P.S.R. classes resume this week with just two classes remaining. Let's make a great finish to this good year by all participating in these last two classes.

Our special thanks to Bernice Gordon who not only purchased the material for our new altar cloths and stole (for Risen Christ) but also designed and fabricated them. Nice to be blessed with such talented and generous women as we here at St. Pat's most certainly are.

Next Sunday at the 11:00 a.m. Mass our Second Graders will be receiving their Eucharistic Lord for the first time.

This is a time of rejoicing for all of us, so please, keep the little ones and their families in your prayers.

A special practice session will be held next Saturday, May the 5th, from 9 to 11 am. Please have the youngsters here on time. On Sunday, May 6th, the children meet in the Conference Room at 10:45 a.m. Photographs will be taken immediately following Mass in Church.

My thanks to the 28 kids and the car drivers - Dick Büsser, Barb O'keefe, Joyce Farmer, & Tassa Dowdell - for the great field trip this past Tuesday to the Cathedral in Cleveland and other points of interest.

At the eleven o'clock Mass today, Michael and Gina
Zicarelli are receiving their First Holy Communion. We
congratulate them and ask that they remember us all as they continue to
grow in their love of our Eucharistic Lord.

We offer our prayers and sympathy to Ken Paramore at the death of his father,
Clinton, this past Tuesday; and also to Rose Lyon and Barb Suplita at the
death of their father, Leon Kudlo, last week. May they and all our beloved
deceased rest in the peace of the Lord.

Our Parish Council will meet this Tuesday, June 12th, beginning
at 8:00 p.m. in the Old Church. Board members should have
received the agenda in the mail. The agenda is also post-
ed in the east Church entrance. Parishioners are always
welcome to our board meetings. A number of important
matters need be discussed so I hope all members will
be present this Tuesday.

As parish activities ease off into the summer calm,
I would like to resume the home visitation. Evenings
do seem a better time to catch the family at home----

For P.S.R. Staff members and their spouses.
This Wednesday evening beginning at six-
thirty p.m. we will have a VICTORY Party
to celebrate the successful conclusion of
another school year. All food and games

Our thanks to the Guild Ladies for the wonderful breakfast they pre-
pared for our graduates and their guests last Sunday morning, and to
our high school juniors for their help in serving and cleaning-up.

I am grateful, too, for the fine dinner they served for the priests
of our Lorain deanery who met here last Thursday noon.

This coming Saturday evening our Lincoln Street neighbors, Lelan
and Ruth Kirkpatrick, will be celebrating their Golden Wedding
Anniversary. They couldn't be better neighbors--extremely supportive of
whatever we do--Ruth bakes delicious cakes and pies, Kirk for many years
has made sure our lawns are properly mowed for the weekends. We congratu-
late Ruth & Lelan Kirkpatrick, and wish God's continued blessings with them
for many more happy, loving, years together.

PARISH COUNCIL HAPPENINGS: Old Church. Ever since the bad freeze of December past which caused extensive damage to the heating system and to the building's interior, we have been debating what to do with this grand old building. We have decided that its use as a theater was not working out as desired, and that it could be of more service to the total community if we used the insurance money to completely remodel the interior and to install a new forced air heating system. When completed, the Old Church will be available for small groups much like our larger Church hall is for big groups.

Since all the old pews will not be needed, we have decided to sell about fifteen of them to registered, contributing parishioners. They are about ten feet in length and solid oak. The Council thought a fair minimum bid price would be \$100 per pew. If interested, submit your bid in writing to the office.

This weekend we take a moment to thank God for the gift of the men we call Dad, Father, Pop. We ask the Lord to fill them with His most special graces so that they may continue to reflect His presence among us.

Oktoberfest committee meeting this Wednesday, June 20, at 8 p.m. in the Conference Room. If you would like to help chairman Larry Hall on this parish sponsored community celebration, kindly take the time to join us this Wednesday evening for a brief hour. Two good bands are already signed up for this September 15th, a Saturday, celebration.

The Summer Religion Program begins this Monday, June 18th, for all registrants with Mass at 9:00 a.m. Parents and older children are welcome to join us for these special Children Mass liturgies. Class will conclude at 11:30 a.m.

P.S.R. REGISTRATION for the coming school year continues at the reduced rate until June 30th. Just stop at the office or send your form in by mail or the collection basket

GUM---I understand chewing it can have a number of beneficial effects; however, when it is discarded under the pews or on the sidewalks it often ends up on someone's shoes and, more than we care to see, on the Church carpet. Lay ministers have even mentioned some kids and adults receive Communion still chewing away. So, please, respect for the Lord and for His house means no gum chewing in Church. Thanks, Mom and Dad, for reminding your kids about this if necessary. Much appreciated!

Council continued: We have also decided to help those who have a difficulty with the 22 steps to our hall--either just walking them or hauling items up and down--by initiating steps to build an elevator adjacent to the stairwell. The elevator shaft would be topped with a tower. Mr Rauschenbach, our architect, assures me that this is feasible and would actually enhance the appearance of the Church building. More information on this very soon.

Next weekend a second collection will be taken to assist our Pope John Paul II in his efforts to spread the Gospel throughout the world. It is known as Peter's Pence.

The response I have received thus far to the proposed elevator-tower
project has been most positive. From talking with the architect and
elevator rep. last week I can give you this much information: the
elevator would be hydraulically operated with a cab 5'8" wide and 4'3"
deep and would hold 2000 lbs. The shaft would extend 20' above
ground level and the tower about 30' above the shaft. With luck
and a successful fund drive (we'll need about \$45,000 more) we could
complete the project this fall or next spring. You'll see the draw-
ings soon as they are received from the architect.

A number of our parents have yet to sign up their youngsters for P.S.R. classes. If your kids will be in any of our programs from 4 & 5 year old Sunday classes to the high school seniors, please take a minute to register at the office.

I hope that by now you have all received the special mailing we sent out this past Monday. The reaction I have heard from the Wellington community has been very positive. Good news! & not so good news! After patiently waiting for many months, the new padded kneeler boards arrived. BUT, the covering was incorrectly attached and they all had to be returned to the factory. Maybe by Christmas!

The Old Church restoration is coming along fine. Curry Lumber added the new roof over the former sacristy; Charlie Danesi will have the furnaces completed in a few days, then the ceiling will be insulated and the new lights hung, etc. About a month's work remains

We are most grateful to all of you who have helped with our PIZZA-SUB booth at the Fair. We sold all 7412 subs giving the Parish a profit of \$4,414.41. OFFICE OF RELIGIOUS EDUCATION begins this week
with a gathering on Wednesday, Sept. 5th, for
ALL of the STAFF from 7 to 9 p.m. beginning in
Chapel with Evening Prayer. Staff members from all levels
are urged to participate in this organizational meeting.

Classes for the Nursery and Preschool youngsters begins next
Sunday. Please bring them to the office entrance before the
11 a.m. Mass. All registrations BEFORE the
opening day.

The first class for grades 7 thru 12 will be the Sept.
9th RETREAT at the Hartmann Farm from 12:30pm to 7:00
p.m. The day closes with Mass and supper. Fishing
at day's end if you wish. Students are asked to
bring along one dozen of cookies for the snacks.
Should any one need transportation, be in the Church
parking lot by 12:20 p.m.

I would ask all our parishioners to pray for the suc-
cess of our educational program. Transmitting faith
concepts to our youngsters is truly the responsibility
of the total parish. As you know, we teach as much by
what we do as by what we say. May the Lord be with and
bless our efforts.

Classes for any adults wishing to review the
basics of their faith and for noncatholics interested in our faith are now
being organized. If you are interested, please leave your name at the
office. Days and times will be arranged at the convenience of the group.

OKTOBERFEST preparations are just about complete. The new booths you see
in the yard were made by a group of the men. If you can loan us your picnic
table, turn your name in to Larry Hall or to the office. (It will help much
if you can also get the tables here & back.) RAFFLE tickets are still coming
in nicely. More available at the office.
Saturday evening Mass on the 15th will be moved back one hour to 6:00 p.m.

The plans for the Elevator-Tower project should be in the State inspector's
office this week. Soon as he approves them (pray that he does) they will
be put out for bids. Thus, if all goes well, we could be ready for con-
struction by the end of the month. For this reason it is urgent that your
pledges be made in the next few weeks. Your support is vital to the suc-
cess of this project.

THANK YOU, to the fifty and more teens who took the time last Sunday afternoon to grow in their knowledge and love of the Lord. You are a great bunch of kids. And thanks, too, to Father Ols and the PSR Staff for making the day possible. Special appreciation to Mary Hartmann for so graciously opening her home to us. Our parish is blessed with so many giving people!

BAPTISM CLASS, this Sunday evening from 7:30 to 9:00 p.m. for new parents wishing to have their children baptised in the coming four months. The Church wisely asks this preparation of us. Both parents are to attend.

Adults wishing to study the basics of our faith and also those who are thinking of converting to the Catholic faith are asked to leave their name at the office. Class will start in a few weeks at a time agreeable to all.

I am pleased that a goodly number of new parishioners have responded to our request for the Elevator-Tower Project pledges. At this printing we have \$8,155 pledged with \$4,286 already paid in. The working drawings are now at the Akron office of the State building inspector awaiting his approval. Soon as that is received, five or more contractors will begin the bidding process. So, if this project is to get going yet this fall we must pray that the Akron man gives us a favorable nod and that the pledges continue coming in.

Ladies, please have your Guild membership dues in by the end of this month. This will enable us to have our Guild Membership book ready for the October meeting.

Vocalists & Musicians--music practice this Wednesday, September 19th, in Church.

Teachers, Aides, and all interested adults--a ten session course in Methods of Teaching Religion will begin this Wednesday, September 19th at 7:30 p.m. in the Pumpkin Room. The sessions will last an hour and a half and will be of real benefit to anyone who has the task of communicating to others religious truths. There is no charge for the course, just an occasional plate of cookies for the snack. Class presenters will be Mrs Becky Burkhardt and several priests and sisters. Becky will give the first presentation this Wednesday.

The sixth Diocesan Conference for Divorced, Separated, Widowed and Remarried Catholics will be held on Saturday, October 20th, at Padua High School, 6740 State Road, Parma. A full day of workshops, speakers, lunch, banquet and social, as well as the Liturgy celebrated by Bishop Pilla, is scheduled. For further information and application please call 696-6525, ext. 223.

The PERFECT PARISH PRIEST preaches exactly 10 minutes. He condemns sin but never offends anyone. He works from 8 am 'til midnight and is also the janitor. PPP earns \$60 a week, dresses nicely, drives a good car and gives \$50 a week to the poor.

The Perfect Parish Priest is 28.4 years old and has been preaching for 30 years. He has a burning desire to work with teenagers, and spends all his time with senior citizens. PPP is wonderfully kind and gentle, handsome too.

PPP smiles all the time, though with a straight face, because his marvelous sense of humor keeps him seriously dedicated to his work. He makes 14.2 calls each day on parish families, shut-ins, and the hospitalized; spends all his time evangelizing the unchurched; is always in his office when he's needed.

Katherine was an active member of St Pat's

that same love for us now that she is with the Lord.

P.S.R. STAFF & interested adults: the second class
in our educational series will be this Thursday,
September 27th, when Mr. William Burkhardt will speak
on SELF-CONCEPT & CHEMICAL ABUSE. Bill works full
time in this area with the North Olmsted schools.
You will learn much from his presentation. Class be-
gins at 7:30 p.m.

The first class for adults interested in our
Catholic faith will be Thursday at 8:30 p.m.
This will be an organizational class so future
class days and times will be set according to
your preferences. All are welcome.

My heart is overflowing with gratitude
to so many of you for your wonderful
efforts to make our annual Oktoberfest
such a grand success. Everything went
well excepting the weather and it was
not that bad--the third year ought to
be the charm we need with a good, warm evening.

I am expecially grateful to Larry Hall who chaired this ae-
tivity and to Carmel Grissinger and Theresa Corriggio who
managed the food sections. They and their workers did a
magnificent job--our hats off to them!

Because of the high fixed expenses and the difficulty in guesstimating quantities
of food needed, we only cleared a bit over a hundred dollars on this event. Since
the primary purpose of the Oktoberfest is to enable our community to celebrate to-
gether, I am pleased if we continue to operate in the black. All the food that re-
mained unsold was given to the Betterway Homes, care of Tom Peters. I'm sure they
enjoyed it all.

The Perfect Parish Priest (continued and concluded from last week's bulletin)
If your parish priest does not measure up to this description of the Perfect
Parish Priest, make 6 copies of this and send them to 6 other parishes in the
diocese. They are tired of their priests, too. Then bundle your priest up and
mail him to the Church at the top of the list. In a year's time, you will re-
ceive 1,643 priests, one of whom is bound to be the Perfect Parish Priest. But
be sure to keep this letter going; one parish broke the chain and got its old
priest back in less than three months. (author anony)

Just a word of explanation as some may wonder why I get involved,
at times, in community affairs. If someone is in need, and
I can offer spiritual and/or moral support, I am pleased
and sometimes obliged to do so. If the matter is critical
to the well being of the community, I pray that I will not
hesitate to do what I can to effect a just and considerate
solution. In such things, before acting, I always take
counsel with those whose opinions are well respected.

Old Church renovation: in the final stage with carpeting & some
electrical panels yet to be installed. Does anyone have a usable
refrig they would like to donate to the kitchen? Hope to have an
open house for the parish when it is all finished in about a month.

In just three short weeks, Bishop James Quinn, the Vicar of our Lorain area, will be the Celebrant at the opening and closing of our annual Eucharistic Devotions. He will preach the homily at the 11:00 a.m. Mass and at the 4:00 p.m. Prayer Service. The second and third grade children will process at the afternoon closing service.

Adoration of the Blessed Sacrament throughout the afternoon.

For such an event there should be a steady stream of adorers throughout the afternoon and a full Church for the closing 4:00pm service. Is this too much to ask? No one out does the Lord in generosity! Try Him! I have been terribly disappointed in past years at the many who could not give up an extra time for the Lord.

Elevator-Tower project: the Akron building inspector (for the State) asked for some minor changes in our plans which are being taken care of. When he is happy, the plans go to Columbus for an okay by the elevator inspector. Then we can ask for bids. Amount pledged thus far is \$9,240; amount paid in is \$5,198.

We are hoping to have the Old Church refurbishing all completed by our anniversary celebration on the 21st. We think you will be very pleased when you see it at the open house.

29th SUNDAY OF THE YEAR OCTOBER 21, 1984

We are most pleased to welcome to Wellington and to Saint Patrick's, for his first visit as Vicar of our Western Region, Bishop A. James Quinn.

Bishop Quinn will be Principle Celebrant and homilist at both the 11:00 a.m. Mass and at the 4:00 p.m. Prayer Service. Following these liturgies, he would like to meet as many of you as he can in the yard or, should the weather be cool, we hope not, in the office area.

Most Reverend A. James Quinn
Auxiliary Bishop of Cleveland

Adoration of the Blessed Sacrament, exposed in the Monstrance on the Altar, will follow the 11:00 a.m. Mass until the 4:00 p.m. Prayer Service. We hope every family and every adult will take a few minutes to thank the Lord for so great a gift as the Eucharist.

Parents of the 2nd & 3rd graders are reminded to have them at Church, enter at the office door, by fifteen before the 4:00 PM service. We appreciate this extra effort to enhance our Eucharistic Devotion and we do thank you for it.

Open house for our completely renovated Old Church will follow all the Masses this weekend, and from one to three in the afternoon for the public. We do hope you are pleased. It is our thoughts that the building will be available for parish functions and for public rentals just as our larger parish hall is.

Our old Church building was built in 1876, replacing a frame one room school which was moved across the street. (It is now the Chas. & M.V. Oney home.)

The diocese bought it at a public auction in 1907. In 1945, Father McCann enlarged it to its present size. Father Ed Maher offered the last Mass in it when we moved to our new Church in 1977.

Interested in the holistic approach to healing problems of the body-mind? A free seminar presented by Dr. Joel Brence & the St Joe Hospital staff entitled, *Brilliant Sanity*, will be given this Wednesday at 7:30 p.m. at Lorain County Comm. College, Stocker Center. You can learn about the religious aspects of depression and the mid-life crisis, and how some people have to go through such painful periods of distress in order to become healthier, saner and more spiritual persons. Years ago, Dr. Brence attended Borromeo Sem, I highly recommend him and this free seminar to you.

Our thanks to the MEN'S CLUB for their excellent party for our youngsters last Saturday. The costumes were certainly the best ever, making it most difficult to judge the prize winners. So, thanks, men, for an enjoyable afternoon!

THIS F R I D A Y Nov. 9TH

FROM 10:00 A.M. TO 6:00 P.M.

IN OUR ST. PAT'S PARISH HALL + + +

Come down and browse through twenty-two tables of artistically crafted items made by some of the most skilled craftsmen in northern Ohio. You'll see ceramics, dried flowers, doll clothes, toile paintings, candies, wood crafts, religious articles and many other things you'll want to purchase for gifts or for yourself.

Our ladies will be selling jellies and jams, crafts, and their ever delicious freshly baked goods.

The soup this year is home made Hungarian chicken noodle. You can have your soup and pizza subs here or take some home with you.

The Sisters of Saint Paul will have several tables of books and a variety of religious items.

Ladies bringing baked goods, jellies, craft items, etc. for the Guild Bazaar are asked to do so either on Thursday afternoon until 7 pm, or on Friday in the morning. It would help if you would label your baked items for us.

As always, the Ladies would appreciate helpers on Thursday for making the soup and subs, and on the day of the bazaar. This is an enjoyable parish function. However, with so very many women now working it is, at times, difficult to have enough helping hands. So if you have a few spare hours to give, your time would be much appreciated. We offer our prayers and sympathy to Pat Benton at the death of her father, Chester Rapean; and to the Bartoto family at the death of their husband and father, Richard, Wednesday afternoon. May they and all our beloved deceased enjoy the loving presence of our God.

On December the 10th, our Ladies will have their annual Christmas Dinner starting at 6:30 p.m. There is no charge for this delicious delight, but the cooks would like to have a good count of those coming. So, please, take a minute to call Cindy Supers at 647-4405 before December the 3rd to assure your reservation. Becky will lead the carols.

At the hearing in Columbus this past Wednesday the board seemed to react favorably toward our Elevator-Tower project. They found no objections. We should receive formal approval in a few days. Now, if the bids being received this Wednesday are in order, we should be cleared to start construction in the Spring. Ladies--call Cindy for Xmas dinner reservations now.

Thursday of this week our nation pauses to give THANKS. Our most eloquent way of saying thanks is through the Eucharist. Begin Thanksgiving Day with Mass at 9:00 a.m.

The blessings we have received are meant to be shared. Bishop Pilla asks that we share by helping to pay the transportation costs of the food our government is giving to the starving in Africa. For this most worthy cause, a second collection will be taken at all the Masses NEXT weekend. I know you will respond generously to this urgent need as you have done so often in the past.

*The banns of matrimony are announced between
John M. McKean and Anna Marie Patton, both of St. Pat's.*

We are pleased to offer our congratulations to some of our young parishioners who received sports honors this week: JON SMITH--Duke of the Year, 1st team all conference; ROB MITCHELL--most valuable offensive player, Lakeland Conf QB; ALECIA ENSIGN--Coachs' award, all Conf 1st team, defensive player of the year, 4 year award.

Congratulations are also in order for Bev Hardoby's parents, LEWIS & ALICE EWING who this weekend celebrate their 50th Wedding anniversary. *Ad multos annos!*

Senior Citizens you are invited to a free Thanksgiving dinner sponsored by H.E.L.P and the Clergy Association this coming Tuesday at 5:30 p.m. in the High School cafeteria. So come on over for the double treat of tasty food and seeing your clergy do the serving. (We'll eat the left-overs!)

Vocation Awareness Weekends for men and H.S. juniors & seniors are offered at St. Mary's & Borromeo Seminaries. Participating in such a weekend is a neat way to get help in finding the direction the Lord wants you to head, it is not a commitment to enter the sem. We, as a parish, must pray that our young folks will respond generously to the graces given.

Marriage Encounter Couples--a Christmas Dance is set for December 7th at St. Joseph's Hall in Amherst. Check note at East entranceway for further details.

The Lorain County Right to Life group has setup a special evening to help those women who are trying to work through the pain and guilt of having had an abortion. It is on Nov. 27th, 7:30 p.m., at the Christian Assembly of God Church, 4125 Leavitt Road, Lorain. They wish to help and heal.

The new kneeler pads are on their way! !

As we continue to remember our beloved deceased during this month of November, we are asked to pray for Blaz Pesorda's father, Andrew, who died Thursday in Yugoslavia. We also remember the Rev. J.W. Mellick who served the Wellington community for 27 years before he retired in 1979. Rev. Mellick died this past Wednesday. May the Lord reward him for his many years of devoted service to his church and community.

REPORT CARDS for our Parish School of Religion will be distributed on November 28 and 29 for grades 1 through 6, and on December 2 for grades 7 through 12. Parents are asked to sign and return them with your child the following week. Should there be any questions or concerns, please do not hesitate to contact the class teacher and/or Mrs. Burkhardt.

In just one week, the new liturgical year begins as we start the season of ADVENT and our preparation for the celebration of CHRISTMAS. What are you and your family doing to give this ADVENT a spiritual dimension? A special prayer at meal time, an occasional private visit to Church, an act of kindness or charity.

Yes, thank you for your most kind response to our Bishop's request for funds to help the starving of Ethiopia. I do believe this amounts to the largest second collection we have had in my years with you. True, our regular collection did suffer a bit; however, I do not worry about that. The Lord always has ways of repaying, surprising ways, gifts given to his needy. Many thanks to all of you.

We are pleased to announce that the successful bidder on our elevator-tower project was the T.J. Hume Company of Lorain. Construction will begin in the Spring when the weather breaks. Sam Zubrick, of Wellington, will be the supervisor. Four bids were received. Eventhough we do not have all the funds necessary to complete

this project on hand, I have been urged by board members and by our financial committee to proceed ahead. I, too, feel confident that sufficient funds will be available when needed in the Spring.

This coming Saturday is the Feast of the Immaculate Conception of Mary, a Holy Day and patronal feast day of our country. Because of the confusion resulting from a Holy Day falling on a Saturday or a Monday, our Bishop have dispensed from the obligation of participating in Mass for this Holy Day. It is hoped that most of you will make time to participate in one of the above two scheduled Holy Day Masses out of love and respect for Mary, the Mother of the Lord and our Mother.

Some hints for you to help your children want to go to Mass. (Adapted from "Bringing Religion Home," Sept. '84.)

1. Be positive about your Church, its value to you, its link to God.
We as individuals and we as family need the Church, and it needs us, if we are all to fulfill our mission, our purpose in life.
2. Let your son or daughter have a say so in selecting the Mass the family will participate in. Having a choice often takes away resentment of being pushed to do what the adults always want to do.
3. Just as we can't take money from a savings bank without first putting something in our account, we need to put into the Mass to gain the most from it. Encourage full participation--attentive listening to the prayers, Scripture, homily; use the hymnals to learn new songs; occasionally

Kids from pre-school to the 4th grade are invited along with one or both parents. We do want an adult to accompany the kids. Cookie donations are welcomed. Please call Mona Thompson, 647-6360, for further info.

(hints con't) present the offertory gifts; give yourself as fully as you can to this, your community's hour of worship.

4. Don't be afraid to show authority or exercise discipline. Children, even at an early age, need to know and understand the Mass as something special and sacred, a community prayer yet very personal, familiar and still a deep mystery. An atmosphere of prayer should be evident, even for those using the Chapel, our cry rm.

5. Arrive a few minutes early to prepare yourself the better for this great prayer; spend some time after Mass to socialize with your extended family. Everyone, kids & adults, has something unique to bring to this Eucharistic liturgy. Bring it and give it!

In June of 1983, with the full approval of our Parish Council, I requested Father Robert Carson of St. Norbert's Abbey in DePere, Wisconsin, to preach a mission here at St. Pat's. The only dates available then were the five days on this coming January, from the 12th (Saturday) through to the 17th (Thursday). Father Carson is a very effective preacher--a modern day Bishop Sheen. We are fortunate in being able to have him with us. I would urge you at this time to hold these five evenings open for this Parish Mission. I won't have to convince you to come--after you hear him on the weekend you will want to be here.

Evening talks will be at 7:30 p.m. (No bingo on Sunday evening) Morning talks on the weekdays will be at the 9:00 a.m. Mass. Open discussion periods follow both sessions. EVERYONE with a trace of Catholic blood in 'em is invited to this Mission. Please pray for its success!

Parish Renewal

Call it a Retreat, a Renewal, a Mission
whatever-you-wish, but do reserve the evenings from Sun-
day, January 13th to Thursday, January 17th, for a truly
spiritually enriching experience. Invite all your Cath-
olic friends, especially those who may have drifted a bit
from their practice of the faith. Here is what two area

pastors have to say about Father Carson's missions at their parishes:

"Father Carson is probably the most important missionary in the United
States today. He has a message for everybody." Fr. Charles Byrider,
Pastor, St. Sebastian, Akron.

"Fr. Robert Carson had a tremendous impact upon many people at St. Mary's last
Lent. He has a real knack of arousing people's curiosity and packing them in-
to church. He touched the lives of many people during his five day mission
here. We were so impressed that we have arranged to have him come back again
for Lent of 1987." Fr. Joseph Weigand, Pastor, St Mary

Elyria.
Father Carson will give the homily at all
Masses on the weekend. The evening talks will begin
at 7:30 p.m., Sunday thru Thursday. He will also
talk at the daily 9:00 a.m. Mass. Discussions after
all the talks. Donuts and coffee in the morning.

Couples thinking about a spring or summer wedding
are reminded of the need for six months time to
take care of the necessary preparations. See Fr.
as soon as you can.
