**Parish Mission**

This past Friday letters were mailed to everyone on our parish roster inviting you to participate in the Parish Mission to be preached by Father Robert Carson beginning Sunday evening, January 13th, and concluding on Thursday, January 17th.

I do believe that this is one of those unique moments of Grace that the Lord offers us in our journey through life. We can accept it, or we can turn it down. The Lord does not force our free will, much less can any of us.

Saying that our parish needs this mission does not mean that I am ignoring the great amount of good that is already among us--everyone of us can grow, and this Mission is an invitation to grow spiritually. You can find many excuses not to be here--please find one reason to be here and take it.

I expect the Church to be filled to overflowing. If that happens you can sit in the chapel. When the chapel is filled we can interconnect the P.A. to the sound system in our hall. If the hall is filled I'll be too happy to worry about the rest.

P.S.R. classes resume this week for all sections of our religious education.

Teachers, aides, and interested adults are welcome to the Wednesday evening continuation of the Methods course at 7:30 p.m. in the Pumpkin Room. Sister Gale, O.S.U., will talk on Prayer & Spirituality.

Adult instruction class this Tuesday at 7:30 p.m. in the Conference Room.

Troubles! Troubles! Troubles! We wait for nearly a year for the newly padded kneelers--they are installed--and we discover that the boards they used are just a bit too thin. And so, a number of them have already cracked. The company will take care of the situation, before another year is up, I hope. Now aren't you pleased to find out that it wasn't your holiday eating that caused the trouble!

I am pleased that over the holidays the Elevator-Tower project pledges have jumped to \$17,686.00 with a total of \$15,247.00 paid in. To date, 89 parishioners and 8 non-parishioners have pledged. While this amount of money is good for the number pledging, if we do not hear from a good many more of you within the next few weeks we will not be able to install the bell shells, tower screen, nor the basic electronic carillon this spring. The cost of doing this at a later time will be much greater because of the need for scaffolding to install these items. Pledges can be paid over a number of months if that will help you any. Thanks for whatever you can do.

(Parish Mission continued) For the five evenings of the Mission we plan to have child sitters here if that is necessary for you. More information on this next weekend.

A few notes on Father Carson. He was born in Hawaii. Attended college in Wisconsin, Hawaii, and graduate work at Catholic Univ. After ordination in 1946, he taught in several high schools until 1966 when he began giving retreats throughout the U.S. and at many U.S. Air Force stations here and overseas. He is a member of the American Historical Association and enjoys backpacking and mountaineering!

Tuesday, January 22nd, marks the twelfth anniversary of the Supreme Court's infamous abortion decision. For twelve years we have permitted "doctors" and mothers to slaughter the innocent unborn. I urge

you to do whatever you can, legally & morally, to stop this horrendous crime against humanity. Teach your children to respect and love life! In all its forms, in every age. Every life is a reflection of God's love. Keep our public officials informed of your feelings. They are often followers, not leaders. Brief, personal letter are most effective.

Yes, your response to Father's appeal was magnificent, he took along with him a check for \$3,077.53!!! He was amazed and delighted, as was I.

I also thank all of you who in any way have contributed to the success of these "Renewal days." Especially you who prayed and sacrificed for them, and our teens who gave of their time to child sit the many youngsters in the evening.

Audio cassettes which I taped through our sound system are available for those who may have missed a presentation. Also, video, VHS, cassettes of the last three nights were made by Marvin Davis. See me if you wish to borrow any of these for a limited time.

**Women's Guild** meeting this Monday, February 11th, beginning at 7:30 p.m. in the Hall. Father Denis St. Marie is the guest speaker. All Ladies are welcome.

Some eight years ago, our architect designed all the furniture for the Sanctuary. Finding a craftsman to make them at a reasonable price was difficult. Patience was rewarded when last fall Jacob Shetler, an Amish craftsman from Apple Creek, took on the job. We are most grateful to Jacob for his beautiful workmanship, and to our Ladies Guild for graciously meeting their cost. And by the way, all the short kneelers have been reenforced--now, if they crack, we all diet for Lent!

Your response to our past Wednesday program was great, we were very pleased. However, we know there are more teens and adults who have not received this sacrament and we do invite you to participate. There will be separate classes held for the adults at your convenience.

**Marriage Encounter** is an unique opportunity for married couples to pause and sincerely consider the most important area of their lives--their marriage. It is structured to recall to couple in a personal way, what they mean to each other, how they can make life happier for themselves and their families, and what role God plays in their lives.

The week-end is definitely not a sensitivity session and there are no group dynamics. M.E. is for couples who desire to better their marriage by deepening their relationship through better communication. See Father Reymann for more information.

**Lenten Rules**

All adult Catholics between 21 and 50 are to abstain from meat on all the Fridays of Lent. In addition, they are to fast on Ash Wednesday and Good Friday.

Catholics younger than 21 but 14 or older are also to abstain from meat on all the Fridays of Lent. They are not, however, bound to fast.

Fasting means limiting yourself to one full meal and to two smaller meals sufficient to maintain your strength.

Abstinence means to eat no meat.

There will be no adult instruction class this coming week.

The book recommended by Father Carson as an excellent learning guide for adults is in. Those who ordered copies may pick them up after Mass. Extras were ordered if anyone else would want one for \$8 each.

The Mardi Gras Workers' Party--dinner-dance--begins at this Tuesday and concludes at 11:00 p.m. (6:30 pm)

A personal note. Saturday morning the 16th, my dog, Charger, went to doggie heaven. I thank God for the grand gift he was to me. SOC, successor-of-charger, will arrive in the Spring.

February is American Heart Month and St. Joe's Hospital is offering free public health seminar on Cardiac Rehabilitation on Tues., Feb. 26th, 7-9pm.

*THIS Wednesday Lent begins.*

Ashes will be imposed at both the 9:00 a.m. and the 7:30 p.m. Masses. I ask you to let this Forty Day season be a time of true spiritual growth-of growing understanding of our purpose in life and our destiny of eternal glory with God. Easter always follows Good Friday. There is no glory without the cross!

**Stations of the Cross** with Benediction & brief homily every Friday at 7:30 p.m. Should you not be able to participate at that time, I do encourage you to stop in the Church for a private Way of the Cross. Booklets for all ages to use in Church will be at the East Entrance.

**Pre-Baptism**

class for parents who have not yet participated in one and which to have their child baptised in the Church will be held this Monday, Feb. 18th, at 7:30 p.m. in the Conference Room. This class is just held quarterly so expecting parents are also welcome.

Our diocesan newspaper, the Catholic Universe Bulletin, is now conducting a new subscription drive and a renewal of existing subscriptions. You may send your \$13 directly to them or do so through us. If you do not read any current Catholic publication, I would strongly recommend that you try the U.B. We need to keep abreast of happenings touching our Church and this is a fine way to do so.

What are the "seven deadly sins" for today? Henry Fairlie in the "New Republic" magazine a few years ago called sin "whatever I do that mars, mauls, inflates, depresses, distorts, or abandons our humanity, and through us it therefore does all these things in our societies." For the coming four weeks I will give his seven-branched root of sin:

PRIDE is the source of such evils as disobedience, boasting, hypocrisy, scorn, arrogance, insolence, impatience, strife, irreverence, obstinacy, and vainglory. Pride is a sin of aggression, a sin of thorough selfishness.

AVARICE is the love, not so much of possession, but of possessing. We buy more clothes than we need, more accessories than we need, more furniture, more bric-a-brac than we need; and even more gifts for our friends than they need.

The hymn is meant to be contemplative - one in which you can pray while singing. We will be using this hymn during Lent. Becky would appreciate any comments you may have. The words are as follows; UBI CARITAS ET AMOR, UBI CARITAS DEUS IBI EST. The English translation is: Where charity and love are found, God Himself is there.

The Seven Deadly Sins, cont. GLUTTONY does not savor; it only devours.. Three aspects of modern day gluttony are the widespread use of drugs, excessive drinking, and wastefulness. ("After a family of four has had breakfast at a restaurant, the table is a litter of empty and half-empty containers of paper and plastic which, when multiplied several million times a day, amounts to a vicious waster of our natural resources.")

ENVY is the sneering, sly, and vicious result of the assumption that everyone should be able to do and experience and enjoy everything that everyone else can do and experience and enjoy. If we cannot do what we envy others doing, we lower or destroy the standards of that talent or performance and try to make everyone magically equal.

A note from Father Reymann. Sunday afternoon before I left the area for a couple weeks of R & R, I visited the Pinebrook Boxers in Wooster to look for a successor of Charger. I am pleased to let you know that SOC, a dark brindle three month old pup with full white collar, will be registering at St. Pat's shortly after I return. He is almost housebroke!

The last of the seven deadly sins is SLOTH, the sin that believes in nothing, cares for nothing, enjoys nothing, loves nothing, hates nothing-finds purpose in nothing, lives for nothing, and remains alive because there is nothing for which it will die.

The time is growing short for you to get your ticket for our annual Saint Patrick Day dance. Tickets will be for sale after all masses this weekend. Come and spend a pleasant evening with your fellow parishioners.

**Stations of the Cross** What are we doing for Lent?

What are we teaching our children about our faith traditions?

It seems so very many more could be participating in our daily  
9 a.m. Mass and in our Friday stations at 7:30 p.m. The effort you  
make will be well rewarded! Only three short weeks of Lent remain!

## Sacrament of Reconciliation

In preparation for their reception of First  
Holy Communion, our Second Graders and their  
families will participate in a Communal Penance  
Service this Sunday afternoon (March 17th), at  
2:30 p.m. Fathers Wm. Gibbons and Chas Ryba  
and myself will hear the confessions of the  
children first and then any family members who  
wish to receive the sacrament.

Next Sunday, in P.S.R. class, our Confir-  
mation class will receive their textbooks  
and will begin formal studies in prepar-  
ation for the fall reception of this great  
sacrament of the Holy Spirit. As they do so, I  
ask their older family members (parents included) to borrow  
this textbook during the week and read over these lessons. In  
doing so, you are refreshing and revitalizing your own faith com-  
mitment. I would also ask all of our parishioners to pray through-  
out the coming months for all those who are to be confirmed.  
This is a big step for them. We can all grow with them.

**Anointing of the Sick** As a preparation for Holy  
Week and Easter, the Liturgy next weekend will be on the  
theme of healing--body & soul. Instead of having just one  
special Mass for the anointing of those seriously sick and/or  
elderly, the Sacrament of Anointing will be offered after the  
homily at each Mass. All those who have a serious illness re-  
gardless of your age, as well as those who are elderly, are  
urged to receive this powerful sacrament of healing.

C.A.R.E. (chemical abuse reduced thru education) meeting on  
March 21st, at 7:30 p.m. in the High School cafeteria. A movie  
entitled Sons & Daughters, Alcohol & Drugs, will be shown. Chemical  
abuse touches the lives of all of us and is present, unfortunately, in many of our fam-  
ilies. All interested are most welcome to attend

Another important meeting takes place this Thursday. Plans are being  
made to establish a Crisis Pregnancy Center in our area. If inter-  
ested, attend the meeting at 7:30 p.m. at Sponseller-Peterson Ins.  
Agency, 212 N Main St. Or, if you cannot attend but would like  
to help, call in your name to Glenda Hyde, 647-3313.

Any P.S.R. student interested in attending the moving  
religious drama called Telelsti on March 31st, please  
see Mrs. Burkhardt.

TETELSTI (it is finished). Please see Mrs Burkhardt if you wish to see Tetelsti on March 31st. Leaving St. Patrick's at 1:30 and home by 7 p.m.

Our thanks to the St Pat's Day dance committee--Delores and Charlie Danesi, Mary & Rich Zappa, and Marcia & Jim Bera-ducci, and to all of you who enjoyed the delightful evening, for taking the time to celebrate together. You know, one of my greatest concerns as Pastor here is that so many of us do not take the time to celebrate together as a believing, loving, parish community. Heaven, being with God, is not eternal rest in the sense of sleep or doing nothing, it is eternal being, living, celebrating the joy of life in never ending perfect love.

My heartfelt appreciation to the many of you who were so beautifully considerate at the time of Charger's death from congestive heart failure. I know he was "only a dog," but his loss was and is most painful. But Soc, Successor of Charger, is here and enjoying the country more every day. Please be patient with him, he is not fully house-broke; and protective of him around cars should he sneak outside and into a danger area.

(Hospice continued) interested, kindly contact Mrs Toni Perciak, at 245-6851, extension 159, for a personal interview.

Closing, #43, JESUS CHRIST IS RISEN TODAY

We remember in our prayers Genevieve Kuchenrither who was buried on Good Friday from St. Mary's, Elyria. Genevieve taught for many years before coming to Wellington to live with her sisters Carrie and Helen. She was the last surviving member of her family. May she and all our beloved deceased enjoy the presence of the the Risen Lord.

Eventhough the rains have caused Sam Zubrick to lose a couple days, our Elevator-Tower project has started to come up from its eighteen foot deep hole. Should there still be some of you who are capable of giving and have not done so, we still need about \$5000 if we are to include the tower screen and bellshells at this time.

donuts-+-+--next Sunday

The EASTER SEASON runs fifty days forming one solemn feast called in early Church history the Great Sunday. It concludes in forty days with the feast of the Ascension and, ten days later, the dramatic feast of Pentecost. The scripture readings for these weeks give an authentic account of life in the early church.

I am most grateful to all of you for your participation in the liturgies of Holy Week. Hopefully, this all is a sign of a gentle spiritual growth in our St Pat's community.

I am grateful, too, for your generosity in the Easter collection. Our bills for the past three months--insurance, hospitalization, utilities, etc.--have hit hard. Thanks are also in order for Mona Thompson and the Guild ladies for the neat Easter Egg hunt. Weather kept it indoors, but the kids still loved it all.

*For many generations this coming month of May has been  
designated as a special time of prayer to the Lord  
through his mother, Mary, and her Rosary. With the  
very limited time we have in our P.S.R. classes we  
can not teach and practice all these worthy devotions  
Thus, we hope our parents are continuing these beau-  
tiful prayer traditions at home. Should you need  
help on the Rosary, we have neat little cards ex-  
plaining it in the sacristy. Stop in before or after Mass for  
one if it would be helpful to you.*

**First Communion** Next Sunday at the 11:00 a.m. Mass  
our Second Graders will receive their Eucharistic Lord  
for the first time. It is a time for all of us to  
rejoice with them and their families for so great a  
blessing. Then, on Monday afternoon, the priests of  
our diocese will gather for our annual Emmaus Day of reflec-  
tion and prayer. There will be no Mass here Tuesday for  
this reason. Please pray for your priests and for vocations  
to the priesthood from our St. Patrick's parish.

In the Fall our 9th, 10th, and 11th grades and some adults  
will receive the sacrament of Confirmation. Since this is  
such an important step for them and for our parish, we are asking  
every parishioner to be a part of this preparation by being the  
prayer support for one of those to be confirmed.

On Thursday, forty days after Easter, we celebrate  
the Lord's return in glory to His Father, His  
Ascension. It is a Holyday, and we should all par-  
ticipate in Mass unless a serious matter prevents  
us from doing so. Our Mass obligation should not be  
taken lightly, as it is so easy to do.

P.S.R. We are grateful to our kids and to our Staff  
for the completion of another great year for our parish  
School of Religion. A vacation is good for all of us.

Parents, we ask you to take a few minutes now to com-  
plete the early registration form your youngster took home  
with her/him. You'll save yourself a few bucks and help us out also. Thanks!

We are also accepting registration for the VACATION BIBLE SCHOOL which will be  
in June, the 17th to the 21st. For kids entering kindergarden thru fifth grade.  
Your child brought home a form for this, too. See Becky for more information.

**Confirmation Retreat** next Sunday, the 19th, from 1:30 to 6:30 p.m. in the  
Old Church. Please bring cookies for the snack. The day ends with Mass & supper.  
All 8th, 9th, and 10th grade kids should attend. Parents, we appreciate your co-  
operation in allowing time for your youngster to pray with us.  
Your prayers would help to make it a good day for all of us.

The BACCALAUREATE MASS for our graduating Seniors will be  
on Sunday, June 9th, at 8:30 a.m. The Guild will serve  
breakfast immediately following Mass. Those Seniors and  
parents who wish to be included should make reservations  
by calling Cindy Supers at 647-5504, Roberta Lasko at 647-

Men, if you care to help out the Men's Club call the office and we'll forward your name to one of the officers. And Jimmie Ward would be most grateful for about six more bingo workers. The Otis elevator will arrive the second week of June so I'm looking for a completion of the total project by the July 4th holiday.

As you can see so readily, our Elevator-Tower Project is nearing its full height, just about twelve feet to go. All four corners are filled with cement and reenforcing bars from top to bottom.

The topmost section which should be completed this week will contain the four large speakers. The four top openings will be covered with a gold anodized aluminum screen framed with a brown aluminum flat tubing.

I am pleased that the project blends in so well with this building and even seems to enhance it. This was the intention of Mr. Rauschenbach, our architect.

We haven't had a plug for the Marriage Encounter weekend for a while so here goes. These days are designed as an unique way to help married couples pause and consider the most important area of their lives--their marriage. Most highly recommended--see Fr. R.

**Parish Picnic** sponsored by the **Men's Club** will be held on Sunday, July 21st, at Panther Trails which is just 2 and a half miles north-west of the Village. In just three weeks the Men's

a beautiful opportunity to enjoy an afternoon at Panther Trails  
with your family & your Parish community with refreshments, grills,  
charcoal, games, door prizes, swimming, baseball, wagon-rides, &  
plenty of sunshine--all provided free. Bring your picnic basket,  
a big smile & have loads of fun. The date is July 21st, from 1 pm  
until you're tuckered out. (The committee--Charlie Danesi, Larry  
Simonson, & crew--is selling raffle tickets at \$1 each to help it  
in sponsoring these parish activities. \$200 in prizes. Draw-  
ing at 5 pm on the picnic day. Tickets at office & from the  
committee members.)

I am most grateful to all concerned but especially to the Lord  
who certainly brought it all about that on Friday past our new  
Carillon & Bell system was installed and played for the first  
time. The response I've heard has been positive & enthusiastic.  
I want to keep it that way as it should be a blessing to our total  
community calling us to prayer through refreshing pauses in our hectic days.  
I appreciate hearing your comments and suggestions.

The Catholic Volunteer Corps (CVC) is looking for interested young adults (ages 20-35) who are willing to give a year of their time in service to the Church. A small stipend and medical insurance will be provided along with unique experiences in personal growth, spiritual formation, and ministry. For more information, contact the Resource Ministry Office, 641-6004.

With just a little bit of luck the few remaining items to be taken care of in our Elevator-Tower project could be all taken care of this coming week. The factory goofed on the decorative screening for the topmost openings necessitating them to be rebuilt. The door for the elevator pump room has yet to arrive and we can't operate without it.

*As many of you have heard, the electronic bells are working beautifully. Tis most unusual, not a single complaint has been voiced to me on them, but many, many words of appreciation are expressed wherever I go. I am most grateful for this as it was my hope and prayer that our bells would not only fill the air with a pleasing symphony of sounds, but that they would also cause us to pause for just a brief moment and give us occasion to lift our minds and hearts to God in a silent prayer. (continued to the right)*

## Parish Picnic

*The scheduling of our bells and carillon is still in the experimental stage. Your input on this is appreciated.*

The present schedule is as follows:

*The ANGELUS BELLS call us to pause for prayer (at noon and 6pm for  
now) with three sets of three rings and a nine ring  
conclusion. Since this ANGELUS prayer is possibly  
not familiar to some of us--and it is a beautiful  
Marian prayer--I am including the text below:*

*The Angel of the Lord declared unto Mary.  
And she conceived of the Holy Spirit. Hail Mary---*

*Behold the handmaid of the Lord,  
Be it done unto me according to Thy word. Hail Mary---*

*And the Word was made flesh,  
And dwelt amongst us. Hail Mary---*

*Pray for us, O holy Mother of God,  
That we may be made worthy of the promises of Christ.*

*Let us pray. Pour forth, we beseech you, O Lord, your  
grace into our hearts; that, as we have known the In-  
carnation of Christ your Son by the message of an Angel,  
so by His Passion & Cross we may be brought to the glory  
of the Resurrection. Through the same Christ our Lord.*

*Amen.*

very well. See Charlie, or Larry, or stop at the office if  
you didn't get yours. Drawing at 5 pm on the Picnic Day.

*Quite a storm we had last Tuesday night! It  
frightened many of us, & especially Soc and me  
when a relatively small bolt (small in damage  
but was it ever loud) struck the walnut tree  
just outside by study window about 2:30 a.m. It  
even caused the bells to start tolling!*

Our tower has two copper cables running from the  
top cross to a copper rod which goes down ten feet below the base-  
ment level. So we hope it is relatively safe in such storms.

Looking for a good spot to take the family to dinner this Sunday?

Youth News THIS SUNDAY, an afternoon of fun at the  
Gilles' Home--46419 Whitney Road, west off of 58 north, for  
all our teens. Just call your rep to let them know you  
are coming & bring along a \$2 fee to cover food, etc. It  
runs from 2 to 7 pm, with swimming (lifeguard), volley-  
ball, softball, horseshoes, whatever. Should you need a  
ride, meet in the Church parking lot at 1:30 p.m.

It is sign-up time to help out at our PIZZA SUB booth  
during the Lorain County Fair. Take a minute today, if you can,  
or next Sunday at the latest to get the time slot you prefer.  
This is a great thing for the Parish--we get tremendously good  
P.R. out of it--best low-price sandwich at the Fair at our neat  
looking Old Frontier stand; and you as a worker meet lots of  
wonderful people. We will also need help here in the mornings  
making the subs--please watch the bulletin next week for times.

Parish Council The bi-monthly meeting of our Parish  
Council will be on Tuesday, August 13th, at 8:00 p.m. in  
the Conference Room. The agenda will be mailed to mem-  
bers in a couple days. Should you have any concerns  
about Parish matters, please express them to these  
council members or to me at your convenience.

At our June meeting the council approved plans to publish  
a new updated pictorial directory of our Parish for the  
tenth anniversary of the dedication of the new building. This is still  
some time off; however, some ground work needs be done now to have it  
ready for the fall of 1987.

More good reading on the front side of this bulletin. Food for thought!

Some useful hints for parents to "help your children want to go to Mass,"  
adapted from Jim Breig in the newsletter 'Bringing Religion Home.'

1. Kids' bodies follow where they want to go emotionally & spiritually.  
The trick is to get them to want to go. Start with them in the baby  
years explaining religion & religious practices to them at their level.  
The "cry room" is a place for the kids to pray & worship, it is a special  
place. It is preferred that little kids, even in the twos and threes,  
be in the main church area, up front, where they can see and participate.
2. Let your children help determine what Mass the family will attend.  
Let them go to a special Mass at another Church, occasionally, such as  
the Cathedral in Cleveland, or maybe a Byzantine Liturgy.
3. Don't complain, be negative, about Church--the sermon, collection,  
pastor, music, etc. Kids so often reflect adults' attitudes. If you  
see value in what is happening, more than likely your kids will, too, even  
if they don't let you know it at the time.
4. "I don't get anything out of the Mass." Can you draw  
money from the bank without putting anything first into it?  
Why are you here? What are you doing? How have you pre-  
pared for this Liturgy? Do you listen, sing, pray, with  
the congregation?
5. Don't be afraid to show discipline or exercise your  
authority--this is what the family does every weekend,  
the only question is, possibly, what Mass DO we partici-  
pate in. Good habits are formed by repetition.

We have just three time-slots open. You can sign up after Mass.  
The complete schedule will be in the bulletin next weekend.

Pizza Sub production begins Saturday morning in the Church Hall. If  
you can help stop in for an hour. Starts at 9 a.m. During Fair week  
the subs will be made following morning Mass.

We are truly in need of helpers for our Sunday evening

We ask you to pray for them that they may continue

A new class for adults interested in the Church

*Thank you, to the Gilles' for a delightful teen

*And, thanks, too, to Dave Horvath who landscaped the grounds

grateful to you, Dave, for a beautiful addition to our yard.*

*The beautiful flowers you now see blooming around the yard are

I am most grateful to the dozens of you who are helping with our Pizza Sub operation. We have sold over a thousand every full day thus far so it looks like a record year if the rains hold off over the weekend. Full report next week.

CONFIRMATION + + + On Sunday, October 27th, Bishop Pevc will bestow the gift of the Holy Spirit in our Parish. I know there are many other adults and teens who have not yet been confirmed and for some reason are not enrolled in this year's group. It is not too late. Please let us know if you are interested. It is the final sacrament of Christian Initiation. You should not be a sponsor (godparent) at a baptism if you have not been confirmed.

All those wishing to be confirmed are asked to pick up a letter next week before or after Mass explaining the full program of preparation.

Women's Guild Attached to this week's bulletin is a letter from our Guild President, Barbara O'Keefe, inviting all our ladies to participate in the Guild functions this year. The program looks great. Wont you join them for the opening meeting and covered dish dinner on Tuesday, September 17th.

We are pleased to have Father Peter Mullen of the Cleveland Maryknoll office to talk at all the Masses this weekend to explain the work of his society. 2nd collection after Comm.

Dear Women of Saint Patrick,

On behalf of Saint Patrick Church and the Women's Guild we would like to welcome all of the ladies of the church to our first meeting of the new year on Tuesday, September 17, at 6:30 p.m. The meeting will begin with a covered dish dinner. The program for the evening will be "Metaphors in Music--Humor, Reflections and Anecdotes" presented by Emily Conklin.

In order to concentrate on higher quality programs and a broader spectrum of interest, we have changed the meeting night for this opening meeting, and, as noted on the following schedule, we have also changed the November meeting day.

September 17 -- Tuesday  
Covered dish dinner  
Emily Conklin -- Metaphors in Music

October 17 -- Monday  
Mass for the Deceased  
Fr. John Valley -- How to Feel Good About Yourself, Your Work & Your Church

November 18 -- Monday  
Neal Zurcher -- One Tank Trips  
(Open to parish & the community)

December 9 -- Monday  
Christmas Dinner  
Becky Burkhardt -- Christmas Music

January 13 -- Monday  
Anne Rosemark -- Craft Night (gp participation)

February 10 -- Monday  
Ginger Kimes -- Musicales Theater Presentation

March 10 -- Monday  
Mass for the Living  
Irish Dancers from Theresa Burke Studio

April 14 -- Monday  
Sister Maureen McCarthy -- Evening of Recollection

May 12 -- Monday  
Installation Dinner for New Officers

Since one of our goals this year will be to improve attendance at our meetings, a concerted effort has been made to please everyone. The business portion of the meetings will be as brief as possible--if too brief, be sure to ask questions.

During the year we would ask all women to consider a leadership role. Many of you ladies have fine leadership ability and the women of the Guild have always been very supportive. So please, at least consider an office following this year.

We are looking forward to another excellent year and do hope to see many of you at the meetings.

The greatest need in the world today is love...  
More love for each other and more love for God above!  
Great is the power of might and mind but only love  
Can make us kind...  
And only love can completely fill  
The hearts of men with peace and goodwill!

A gigantic big THANK YOU to all of you who helped make this year's

Pizza Sub operation the greatest ever. 8568 subs were made (all but 200 were sold at the Fair) and this gave us a net income of \$5290 to further reduce our building debt. Special thanks to the Pizza House for letting us use their walkin cooler all week.

My thanks to Stan Smith & Charlie Corriggio who gave the hall stairs and entrance a fresh coat of paint. Just a couple little things need be taken care of before this project is totally completed.

*This week a letter will be mailed to all parishioners with information concerning the two big parish celebrations in October. We want each of you to be involved in these as fully as you can, not only in selling raffle tickets for the Oktoberfest--you can get more at the office or from Charlie Danesi--but primarily in praying for the spiritual success of our Eucharistic and Confirmation Day on October 27th. More info on both of these events will be in the bulletin as the weeks roll on.*

**CONFIRMATION**--all those enrolled in this fall class are asked to pick up a letter after Mass today at the East entranceway. The letters are addressed by your name and are for the 9th, 10th & 11th graders and all adults being confirmed. Much important info in this letter so please take the minute to get yours. We thank you!

Adults interested in joining this year's instruction class for those interested in our Catholic faith or just wishing to brush up on some basics are asked to get your names to our office within the next two weeks. Classes will begin about the third week of Sept.

Interested in a Marriage Encounter weekend? A grand experience for those who wish to make good marriages even better. Next weekend begins on Friday, Sept. 13th. Check at office for more information.

Our neighbors at the Litchfield Parish <sup>are soon beginning</sup> a renewal program called **RENEW** and have asked us to pray with them for its success. I know you will be pleased to oblige them.

September 3, 1985

Dear Parishioners,

"Where has the summer gone?" How often have we heard this said the past few days!

But it's true. The vacations are over and the kids are back in school.

Which all means that our parish must now gear-up for two major events coming very soon.

On October 5th, Saturday, we invite everyone to enjoy our third annual Oktoberfest. Dave Lenahan, WOBL's "D.J.," will entertain in the front parking lot from 1:00 p.m. to 6:00 p.m., and Johnny Vadnal will return to play in the hall from 7:00 p.m. to 11:00 p.m. Mass this day will be at 6:15 p.m. Your sale of the enclosed raffle tickets will help insure the success of this day. All profits will be added to our debt reduction fund. If, perchance, you are unable to sell the tickets, please return them to the Church.

Sunday, October 27th, will be a day of spiritual celebrations. My friend of many years, Bishop A. Edward Pevce, will be our celebrant and homilist.

On this day he will---

- bless the newly completed tower-elevator,

- celebrate the Solemn Eucharistic devotions at the 11:00 a.m. Mass. The second and third grade children will be in the procession. Adoration of the Blessed Sacrament following Mass until 3:00 p.m.

- administer the sacrament of Confirmation at a special 4:00 p.m. Mass. A public reception in the hall will follow Mass.

To insure the spiritual success of this day, I ask every parishioner to make their own personal novena of prayers in addition to our public prayers at every Mass. This day affords us a grand opportunity to be united in achieving a common goal--the spiritual enrichment and growth of our parish. Our deepening appreciation of the Eucharist and the reception of the Holy Spirit by those being confirmed are signs of the vibrant spiritual life which should be evident here.

My awareness of the gracious support given by so many of you to your parish and to me personally over the past years gives me confidence that our hope for the future is indeed well founded. May we continue to grow together in the Spirit of the Lord.

Sincerely,

**Women's Guild** A reminder to Women's Guild Members and all the women of Saint Patrick Church.

The September meeting will be held on September 17th, Tuesday, at 6:30 p.m. with a Pot Luck Dinner. Following the dinner, Emily Conklin will present the program for the evening--"Changing Seasons, Spice of Life." Come, one and all, and bring a guest. M.B.H.

*Do we have in the parish twenty or more persons who would be willing to give a half hour of their time once a week or even once a month to spend in prayer--silent prayer--before their Eucharistic Lord, in Chapel, for the spiritual well-being of this parish. For years I have longed for such a "prayer bank." Do we have enough persons of sufficient maturity and generosity to do so now? The day would be Wednesday, the time from Mass to 8:00 p.m. Kindly drop a note in the collection basket or call the office indicating what times you could do so. We would hope to start by the end of this month.*

Bishp Pilla and Bishop Quinn have sent us a letter encouraging us to support and contribute to the 1985 United Way Appeal for Lorain County. This agency does assist a number of Church groups working with the poor and needy of the area. So continue to give as you always do to such worthy causes.

Today and during the coming week, all our Parish School of Religion programs will have their first classes. We ask the continued prayers of all parishioners for the success of this educational apostolate.

In addition, we request the following of parents having children in our program:

1. Develop a positive, constructive attitude toward your Church and its P.S.R. program. Both are vital for full mental and spiritual growth. Active, consistent participation builds good habits and strong Catholic character. It does happen. Patience!
2. We expect parents to work with their children in lesson preparation. All teachers give homework assignments which require--for the middle and upper grades--about one half hour of home study each week. As you work with your children not only do you teach by example but you are also brushing up on the basics of your Catholic faith, a highly desired side effect.
3. If it is foreseen that your child cannot attend a given class, we expect to be notified. Mrs. Burkhardt will call you concerning unexcused absences. And, please, contact the teacher or any of us should you have any concerns. Next week's bulletin will have a complete listing of our P.S.R. Staff. They are wonderfully dedicated people who want to work with you in this grand task of helping your child to develop his/her God-given potentials.

The letter detailing our October celebrations was mailed Tuesday. If you have not received it, please contact your post office--several of them are very slow with our mailings. The ticket returns can be made in the collection or at the office. Additional tickets are available from Charlie Danesi and at the office. We will need lots of helpers for the Oktoberfest--please contact Chairman Larry Hall who will be very pleased to find a spot for you.

The ADULT CONFIRMATION CLASS meets this Tuesday, the 10th, in the Conference Room, at 7:30 p.m.

Special note to parents of P.S.R. kids who ride the bus: the schools have  
asked that you give them a written note saying that your child is to go to

not already done so, please do so before class this coming week. Thanks.

Did you notice the heavenly look for this week's bulletin? It should be since

Today we begin singing the GLORIA at each Mass in preparation for Bishop Pevec's visit in just three weeks on the 27th. We will also resume singing the Holy, Holy, the Lamb of God, and our other sung responses. I might add that you have been doing very well of recent weeks with the hymn singing. In fact so well that our music committee is looking for a new contemporary hymnal we can purchase to replace the rather worn out Glory & Praise booklets.

Thanks to the many of you who found the time to visit the Chapel, our first Eucharistic Adoration day was a grand success. We plan to continue this on the first Wednesday of every month to pray for the spiritual needs of this parish.

All ALTAR BOYS are asked to stop at the sacristy before or after Mass to sign up for their adoration time on Sunday the 27th. Each boy is asked to take one half hour time period.

Today, throughout the U.S.A., our Church focuses on the theme of RESPECT LIFE, with special emphasis on the family and the dignity of marriage. There is nothing quite so special as a human life. Whatever the age, Whatever the color. Whatever the level of development. Each holds the capacity for uniqueness. Marriage and the family are designed by God to enhance this unique life and to enable it to grow to its maximum potential.

**Women's Guild** All Guild members and all ladies of the parish are asked to note a change in the October meeting date. At the request of the guest speaker, Father John Valley, the meeting has been changed from October 14th to October 29th. of Mrs. Delia Griggs, who at 96 years of age was our oldest parishioner. Born in  
Ireland, she and her husband settled on a farm opposite Findley State Park. She  
lived in that little home until recent years from which she loved to watch the  
campers come and go. She was a woman of deep faith. Each day she spent many  
hours praying for the needs of our parish. May the presence of the Lord be the  
reward of this beautiful life, and may she remember each of us to Him.*

to the many of you who participated in our third Oktoberfest.  
Unfortunately, the weather was again against us but it did not  
dampen the spirits of those who enjoyed the music, food and games  
in the hall. I only wish that more of you would learn how ter-  
ribly important it is that you find and take the time to celebrate  
with your own parishioners. This I find is the saddest failure

I experience in my being with you--my inability to motivate you  
to enjoy one-another at social events. Excuses, excuses!! We have time for what  
we want to do.

Our special thanks to Larry Hall, general chairman; to Charlie Danesi, raffle  
chairman; to Theresa Corriggio and Carmel Grissinger food chairladies; and to all  
our many workers, specially the kids, you all did a great job.

Congress will soon vote on a civil rights bill that will have significant implications for the Catholic Church in America. Among other things, this bill would treat abortions as a basic civil right and would force Catholic hospitals to do them if they were to receive any federal funding. We must amend this bill! Please write to our congresspersons and to Senators Glenn and Metzenbaum expressing your objection to House bill HR 700 and Senate bill S431.

A heartfelt thank you to all of you who participated in any way in the Liturgies of last Sunday. I know the Masses were a bit longer than usual but, you know, celebrations can not be rushed, and these were truly beautiful celebrations.

I must say I was specially proud of our children who processed at the 11 a.m. Mass and of our teens who were confirmed. The Church rightfully expects much from them in the years to come.

Thanks to the thoughtfulness of Jimmie Ward, we have exceptionally beautiful pictures of both liturgies. Persons wishing individual photos are asked to contact Jim at the Studio of Memories, 636-6612.

This Saturday, November 23rd, I will begin another class for new ALTAR BOYS. All boys in the fifth grade or older are welcome to participate so that they may join the very fine group of boys who do minister at the altar. Class time is 10:00 a.m. and will be over in one hour.

We are most pleased that a goodly number of teens have asked to form a Church choir. Thus, all students in grades 7 thru 12 who are interested in a choir and/or an instrumental ensemble for the Christmas Masses are asked to be in Church at 10 a.m. on the Saturdays of Advent (Saturdays of December).

P.S.R. REPORT CARDS will be distributed next week. Parents are asked to review the cards, sign them and return the next week. If you have any concerns, please contact the P.S.R. office. We appreciate the fine cooperation of our parents.

*Lots of rain these past many days!! We can grouse about it or we can give thanks that it isn't SNOW, that we didn't get it by the buckets as did some areas to the east, and we can think how happy the plants and trees and shrubs are to enter winter ready to survive the freezing days.*

## **Women's Guild** of St. Pat's is

most pleased to invite all Parishioners and the general public to a delightful FREE evening program featuring NEIL ZURCHER, T V Channel 8 newsman, this Monday, at 8:00 pm in the Church Hall. His travel booklets and talks on "One Tank Trips" have gained him recognition throughout the Western Reserve. Refreshments served after the program.

Front seats will be reserved for the above program for all those who participate in the Monday evening Rosary in Church at 7:30 p.m. M.B.H.

This past week we finalized the order for new matching oak bookracks for all Church pews. With just a bit of luck, they will be here and installed prior to Christmas.

Through the kindness of the Ladies Guild, we have also ordered hardbound Glory & Praise hymnals containing all three volumes of this series. As you all know, our present booklets are showing the wear of many years service. It is our intention to place both the Worship II hymnal and the new Glory & Praise hymnal in the new bookracks thus making our entrances and exits less congested.

Meetings: Tuesday at 7:00 p.m.-- adult instruction class.

Tuesday at 8:15 p.m. the finance committee, Lee Grissinger, Lawry Babitt and George Fehribach meet to begin work on next year's budget.

Thursday at 8:30 p.m., a video taping session in Church for all of our **Lectors**. The new Lector booklets are in so this evening will give us an opportunity to improve our skills as proclaimers of the Good News. If you can not be present, please contact me so that we can make arrangements for another taping session if necessary.

BAPTISM CLASS -- The next class for all those wishing to have their youngster(s) baptised within the coming three or four months and who have not participated in a class, will be held on Sunday, December 1st, at 7:00 p.m. and will last less than two hours. Expecting parents are welcome. Sacramental preparation has been a requirement throughout the Church since the days of the Vatican II council and it is my experience that such this policy has brought forth much good for us all.

*During the upcoming season of Advent I would like to offer a number of Home Masses throughout the different areas of the parish. If you would be able to serve as a host family for one of these Masses, please contact the office. You need nothing special, just a room large enough to hold fifteen to twenty people bunched together. The weeks are the first three of December; the days are the first three of the week; the time is 7:30 p.m. We will be doing this also during Lent, so if we can not accept your offer now maybe we can find a time in February and March.*

Thus, in accordance with Liturgical norms the solemnity of the Immaculate Conception, Patronal feast of our Country, will be transferred to the preceding Day, Saturday, the 7th. It is still a Holy Day of special honor for Our Lady, but without the obligation of Mass attendance. Hopefully, many of our people will find the time to participate in the morning Mass in honor of the Mother of the Lord.*

This ADVENT season we have invited families from the parish to light the candles in the Advent Wreath before each Mass. This First Week of Advent we are pleased to have the Lockyer, Frenk and Boyle families do the lighting

**Confession Schedule** Let's get ready SPIRITUALLY for the coming of  
the Lord! The Sacrament of Reconciliation with four priests hearing  
on Wednesday, December 18th at 4 and 7 p.m., and on December 19th,  
Thursday, at 4 p.m., with two priests hearing. These are the  
only times visiting priests will be available.

A program for troubled marriages including separ-  
ated or divorced couples who want their marriages  
to work has been initiated by our diocese. It  
looks very good. If interested call 288-4066, or contact  
me.

The custom of the ADVENT WREATH comes from the Germans who  
gave these meanings to the candles. The first signifies  
the prophets' hope and prayers. The second violet candle  
is for the stable birthplace of the Christ Child. The  
rose candle is lighted for the good news the angels sang  
to all peoples. And the last violet candle signifies the  
worship and gifts of the wise men. (continued on the rt.)

Following Father Carson's exceptional MISSION last January,  
many of you asked that we have another in '86. The Parish  
Council approved and for the past many months I have been  
searching in vain for a preacher. Three weeks ago  
when I had all but given up on locating someone, a  
tall Dominican priest from Detroit came knocking at  
our door inquiring if we were interested in a mis-  
sion. I almost hugged him!!

And so Father John Egan of the Order of Preachers  
(O.P.--the community founded by St Dominic in the  
13th century) will be with us the week of January  
12th for a four day MISSION. Reserve the evening hour  
beginning at 7:30 p.m. for spiritual growth and renewal. This is an  
an excellent time to remind our friends and neighbors who may have become a  
bit tepid in their faith to "come home for Christmas" and make it lasting by  
planning to make the MISSION in January. More info later.

Lighting the Advent Candles this weekend are the Plas, Preston & Bartish fam-  
ilies.

**Parish Council** meeting this  
Tuesday at 8:15 p.m. in the Confer-  
ence Room. Please pick up agenda in  
the Sacristy. Meetings open to non-  
council parishioners, always.

Convert instruction classes on Tues-  
day at 7 pm and Wednesday at 10am

Please keep our sick in  
your prayers. Especially Dolores Matthey who is critical at  
the Altercare Nursing Home and Richard Churpek who continues  
his slow recovery at Metro in Cleveland.

{Advent Wreath} On Christmas day the violet  
and rose candles may be replaced with a  
white candle to signify the birth of the  
Lord bringing us his goodness and purity.

The Home Masses are all spoken for this  
season of Advent; however, we will be  
doing the same during Lent -- see Fr.
